## PARENT CABINET MEETING FORMAT (from PC handbook)

The Parent Cabinet meeting format is as follows:

The Chair submits the agenda and the Secretary submits any initial proposals to the Parent Cabinet members via e-mail 5 days prior to the scheduled Parent Cabinet meeting.

Meetings are called to order by the Parent Cabinet Chair and begin with public comment. After any public comment, agenda and meeting minutes are approved Meeting follows agenda and a consensus decision-making process is utilized.

### **Public Comment**

Any community member may come and comment during the first five minutes of the PC meeting. The five minutes is divided among the amount of people who would like to comment. The Chair could choose to increase this time as needed. This does not require a formal request. **Discussion, deliberation or action will not** be taken, only comments received. This allows all PC members to hear any comments, concerns or ideas at the same time, ask questions and then choose to put the item on another meeting agenda if needed for discussion.
