## WALDORF EDUCATION INFORMATION

Journey School was founded in 2000 by dedicated parents who wanted to give their children a Waldorf Education. The Journey community is committed to thoroughly informing all families who are considering choosing this education about the philosophy and practices in the worldwide Waldorf Movement.

Prior to responding to the following question, we require at least one parent or guardian to attend our Independent Study Information Session and read the Independent Study Handbook. In addition, the Journey School website has additional resources, such as links to websites and supplemental information about Waldorf Education that may be helpful in completing the application and informing your decision to apply.

**Given that Journey School's Waldorf-inspired Independent Study program is primarily home-based, explain how and why the program is a good fit for family's lifestyle?** \_\_\_\_\_
