

# Little Acorns

*Little Acorns* serves the kindergarten families of our Journey school community by offering quality, age-appropriate care consistent with the principles of Waldorf education.

As in the kindergarten itself, **Little Acorns**, parallels and reinforces the regular school day and provides a joyful and restful environment where children can continue to learn, socialize, create and play. The children are guided through a gentle afternoon rhythm of a joyful lunch together, story, in-door rest-time, outdoor play, and seasonal craft.
