Please provide your child's complete legal name including his/her middle name as indicated on his/her birth certificate.

Grade-Level Placement

At the pinnacle of the Waldorf curriculum is developmentally appropriate learning that is geared toward the whole child – mentally, physically, and emotionally. Therefore, it is of particular importance that students are placed in a grade according to our *Grade Placement by Date of Birth Guidelines*. For a quick view of our age requirements, please see our *Age Requirements* summary below. Please note that due to high enrollment demand, we do not make exceptions to this policy.

FAMILY INFORMATION

Please complete the following parent/guardian information:

1. Current address and contact information.
2. Indicate with whom your child lives. If your child has two residences, please state where your child resides most frequently.

WALDORF EDUCATION INFORMATION

It is very important to the culture of Journey School that all parents/guardians are in complete alignment with our principles and guidelines. To help ensure this, we offer numerous educational opportunities throughout the year. The "Prospective Parents" section of our website is also an excellent resource for literature and videos about Waldorf Education. We encourage parents to be fully informed about Waldorf Education prior to making a decision about applying to our school. To this end, our *Lottery Application* process includes the following five *Confirmations*:

1. At least one parent or guardian must attend a virtual Journey School Tour/Information Session. You may sign up for a Virtual School Tour/Information Session by visiting the Prospective Parents section of our school website at www.journeyschool.net or you may use the link within the application.
2. Parent/guardian must acknowledge that they have read the *Journey School Parent Partnership Agreements*.
3. Parent/guardian must acknowledge that they have read the *Journey School Handbook*.
4. *Proof of California Residency* must be uploaded with the completed application. See below for more information.

If you have questions about alternative forms of documentation email info@journeyschool.net.

RESIDENCY REQUIREMENTS

Journey School is chartered under the Capistrano Unified School District and gives placement preference to students who reside within its boundaries. IMMUNIZATION REQUIREMENTS

California schools are required to check immunization records for all new student admissions for Kindergarten (all ages) through 12th grade and all 7th graders before entry. All applicants to the Journey School lottery must be fully compliant with the expectations and requirements of the State of California in order for their child to be admitted to the school. Parents will be required to upload a copy of their child's most current immunization record as part of the application process. If the uploaded documents show that your child is not fully compliant with state law, parents will be required to submit updated documents at the time of school registration. Journey School does not offer conditional enrollment for students who are pending immunizations. If a student is offered placement and it is found that they will not be in full compliance by the first day of school, the child will be removed from enrollment. Visit ShotsForSchool.org for more information.
